ST. ANTHONY PARISHIONERS DIRECT DEPOSIT CHOICE

Doing Direct Deposit is a great way to have peace of mind in supporting the parish. The finance council, in putting together a budget for the coming year, find it a challenge to project what the weekly collections will bring, which is necessary for good budget projection. Direct Deposit helps immensely in forecasting what our annual income may be. Finally, Direct Deposit is a secure method of tithing and since you control it you can change it as needed. All that is necessary is for you to contact St. Anthony's office and obtain the St. Anthony's routing number then tell your bank the amount and how often. So please consider doing Direct Deposit.

ST. ANTHONY'S YARD SALE

PLEASE NO CLOTHING.

For more information call Russ Fletcher @ (509)550-7601 or Steve Sommer @ (805) 878-4613.

CATHOLIC PARISHES OF PEND OREILLE COUNTY

Dear Padre JULY 30, 2017

Is it a sin to purchase goods and services from a business that financially supports morally objectionable behavior?

This question requires us to back up a bit and ask two more fundamental questions: "What is sin?" and "To what degree am I allowed to participate in an objective evil?" A moral action has three necessary components: the object, the intention, and the circumstances. These are the what, the why, and the context. For something to be sinful, all three of these components must be taken into account. I must know what I am doing is sinful, I must fully intend it, and there must not be any mitigating circumstances that lessen my degree of culpability. Sin, in other words, requires knowledge that the action is sinful, the will to perform it, and circumstances that do not unduly inhibit my knowledge and freedom to act. To purchase goods and services from a business that supports morally objectionable behavior is sinful if we are conscious that the business supports such behavior, if we intend to purchase the product as a way of showing our support of this morally objectionable behavior, and if there are no mitigating circumstances inhibiting our knowledge and freedom of action. As a general rule, we should avoid purchasing goods and services from such businesses. We should not, for example, buy products from companies that fund grave objective moral evils such as embryonic stem research, contraception, abortion, assisted suicide, capital punishment, or euthanasia. Specific cases must also take into account the distinction between grave and less serious matters.

SEVENTEENTH SUNDAY IN ORDINARY TIME

The life of a Christian steward models the life of Jesus. It is challenging and even difficult, in many respects, yet intense joy comes to those who take the risk to live as Christian stewards. Women and men who seek to live as stewards learn that "all things work for good for those who love God" (Rom 8:28).
