Knight Talk

Bulletin 2016-05

June 17, 2016

Greetings Council brothers and welcome to our June edition of Knight Talk. We thought that this month we'd kick off the bulletin with a glimpse of some upcoming events for you to put on your calendar.

- The Knights will be hosting a "We aren't Flush" BBQ at St. Jude's church following Mass on July 16th. Donations will be requested to help replace funds used to build a new restroom at the church in Usk. All are invited.
- The Knights and St. Anthony's Altar society will be holding our annual yard/garage/rummage sale at St. Anthony's on Sep. 10th. Start collecting your gently used stuff that we could sell at such a function.
- Our annual "thank you" BBQ for St. Anthony parish workers, K of C spouses and K of C members will be celebrated again at this summer. This year, DGK/GK-elect will be hosting the function at his home on Sep. 18th.

Our local Council was well represented at this year's Memorial Day services. Eight members helped the American Legion put flags on veteran grave stones and pictured here, our FS, Greg Meyer was a member of the American Legion honor guard/rifle squad.

For several years, our Council has provided scholarships to graduating HS seniors who are moving on to post – secondary education. This year we were pleased to provide \$500 scholarships to Emma Waterman and Otis Smith. Brothers Bob Kirby(2nd from L) and John Sedbrock had the presentation honors. Deacon John Westover and Fr. Vic are in the background.

A great time was had by all at our recently hosted Italian Dinner. One hundred forty two people attended and enjoyed the Italian food, drink and atmosphere. Thanks to all the Knights who worked so hard to put the program, menu, and dinner together.

Steve and Insook Pearson and Rick Obrien busy preparing food prior to guests arriving for our Italian dinner.

Our DGK-elect Jim Hines and his wife Jean did a super job of tending the bar at our Italian Dinner.

An abundance of guests, food, and great times were enjoyed by all. We're already looking forward to next year's Italian Dinner. Thanks to all those who planned, set up, prepared food and beverages, and cleaned up afterwards.
